

Financial aid

Application Form

Financial aid is available to help people on a low income with little or no savings to access the courses offered by Satiyoga Sangha and Macalla Farm. Discounts of up to 60% off teacher training programmes are available. Discounts are limited and are granted on a first come first served basis. Please be aware, financial aid is granted entirely at the discretion of the Board of Satiyoga Sangha. There is no guarantee that your requested level of support can be met, and smaller awards may be offered instead.

Application process

Please complete the form below and return it to us by post. You will need to apply for the training programme first, and submit your financial aid application within one week of your course application being approved. Once you agree to your financial aid award, you will be booked onto the course. We endeavour to inform applicants of the result of their applications within two weeks.

After an award for financial aid has been made, a payment will be required to secure your place. Each award will be deducted from the latter instalments for a given course, so in all cases you will be required to pay a deposit.
